- REVIEW FEE ATTACHED

Fees and plans showing the required information are to be submitted with this application. Any additional plans or information required by the Tioga County Conservation District should be submitted promptly. The undersigned agrees to comply with all the requirements of TITLE 25, Chapter 102, EROSION CONTROL RULES AND REGULATIONS set fourth by the Pennsylvania Department of Environmental Protection, and further agrees to obtain all necessary permits and approvals connected with subject project. Applicant agrees to notify the District at least 3 days prior to the start of earthmoving; to maintain a copy of the approved Erosion & Sediment Pollution Control Plan on site; to notify the District upon completion of the project; and to allow District Representatives to enter upon the project site at any time for inspection.
