

Tioga County Mental Health Services

For 24/7 Mental Health Crisis Intervention, Please Call (877)724-7142

The Tioga County Service Line is responsible for providing housing services and Base Service Unit operations for residents of Tioga County. Service Access and Management Inc. provides these services through a contractual agreement with Tioga County Human Services Department. The Base Service Unit assists individuals of all ages with accessing mental health services and supports in Tioga County based on their needs and preferences. The Base Service Unit determines eligibility for various mental health programs and treatment in Tioga County.

The Intakes may be scheduled with the County Intake Unit:

Monday-Friday 8:00 AM-4:00 PM and after business hours if necessary.

Walk-in appointments accepted based on availability.

Mobile Intake services provided for individuals as needed.
