

Tioga County Housing Services

Bridge Housing

Tioga County Bridge Housing is a transitional living program for homeless, near homeless, those who have experienced Domestic Violence, people in need safe housing to reunite with their children in care or to prevent placement due to unsafe housing. Bridge Housing serves Tioga County residents only. Those who apply for Bridge Housing are required to follow an individual service plan, which will define the expectation of them while participating in the program. The service plan will also show the outcome of each individual participating.

Housing Assistance

There are two Housing Specialists located at Bridge Housing who are available to assist Tioga County residents with security deposits/first month rent, utility assistance, and other housing expenses. There is an application process to determine if the person applying is eligible for assistance. The individual(s) applying are required to show the total household income and sustainability once assisted by this funding source.
